Thank YOU

This *Gratitude Report* is compiled to recognize and to thank the generous support received by donors, Foundations, Corporate sponsors, Community organizations, in-kind support and volunteers.

To the women who call us each day, thank you for placing your trust in us, and for continuing to share your lives with us.

We will continue our work together to end violence against women and their children. Thank you to each listed here within this report and those who wish to remain anonymous, but whose support we receive annually.

Together we work to help ensure the Assaulted Women's Helpline remains relevant, responsive and viable.
