A Message from AWHL

This is the fifth issue of the *Gratitude Report*, compiled to recognize and to thank the generous support received by donors, community organizations, corporate sponsors, the Board of Directors, staff and volunteers.

To the women who call us each day, thank you for placing your trust in us, and for continuing to share your lives with us.

Thank you to each listed here within this report and those who wish to remain anonymous, but whose support we receive annually.

Together we work to help ensure the Assaulted Women's Helpline remains relevant, responsive and viable.
